Public Health and Housing: Local Leadership for Health Improvement

Thursday 20th January 2011
Saffron Centre, Moseley

Birmingham Health and Wellbeing Summit

Public Health and Housing: Local Leadership for Health Improvement

Cllr Sue Anderson
Cabinet Member Adults and Communities

Purpose

- **Recognise joint work with Housing and Health on improving health outcomes**
- **BCC track record of commitment to public health – outlined in our Council Plan**
- **Future priorities and work that needs to be done**

Council Plan – Public Health

- Assessment of work and priorities across the Council
- Each service are is involved: Regulatory Services – work place health and also nutrition through food outlets serving food in deprived areas and work on young people – tobacco and alcohol; Adult Social Care and Health strong work on prevention and integration; Children's JSNA to reshape commissioning.
- Corporate areas are involved through health of our staff as a corporate priority for our human resources.

THANK YOU

Cllr Sue Anderson

Cabinet Member Adults and Communities
